In *Renewing The Republic*, former President of Ireland Michael D. Higgins offers a powerful and inspiring vision for the future of democracy. Drawing on his decades of experience in politics and public service, Higgins argues that we must urgently renew our commitment to democratic values and institutions if we are to meet the challenges of the 21st century.

Higgins begins by outlining the current state of democracy around the world. He points to the rise of populism, nationalism, and authoritarianism, and the decline of trust in government and other institutions. He argues that these trends are a symptom of a deeper crisis of democracy, which is rooted in the increasing inequality and social injustice that has characterized recent decades.

Higgins believes that we can overcome this crisis by renewing our commitment to the core principles of democracy, such as equality, solidarity, and participation. He calls for a new politics of hope and possibility, which is based on the belief that we can create a better future for ourselves and our children.

Renewing The Republic is a timely and important book that offers a path forward for democracy in the 21st century. Higgins's vision is both inspiring and realistic, and his book is essential reading for anyone who cares about the future of our planet.

Reviews

"Renewing The Republic is a powerful and inspiring vision for the future of democracy. Higgins offers a clear-eyed assessment of the challenges we face, but he also provides a path forward that is both realistic and hopeful. This book is essential reading for anyone who cares about the future of our world."—Noam Chomsky

"Michael D. Higgins is one of the most important voices in the world today. Renewing The Republic is a must-read for anyone who wants to understand the challenges facing democracy and how we can overcome them."—Arundhati Roy

"Renewing The Republic is a timely and important book. Higgins offers a powerful and persuasive argument for the renewal of democracy. This book is essential reading for anyone who cares about the future of our planet."—
Mary Robinson

About the Author

Michael D. Higgins is the ninth President of Ireland. He is a former Minister for Arts, Culture and the Gaeltacht, and a former Lord Mayor of Galway. Higgins is a member of the Labour Party and has been a member of the Dáil Éireann since 1981.

Higgins is a strong advocate for social justice, equality, and human rights. He has been a vocal critic of austerity measures and has called for a more just and sustainable economic system.

Higgins is a passionate believer in the power of democracy. He believes that democracy is the best way to ensure the well-being of all citizens and to create a more just and equitable society.
