The Story

The Berenstain Bears are excited to get their new bikes. They can't wait to ride them all around Bear Country. But before they can start riding, they need to learn about bike safety.

Papa Bear teaches the cubs about the importance of wearing a helmet. He tells them that a helmet can protect their heads if they fall off their bikes. Mama Bear teaches the cubs about the rules of the road. She tells them to ride on the right side of the road, to stop at stop signs, and to yield to pedestrians.

The cubs are eager to put their new knowledge into practice. They ride their bikes all around Bear Country, and they have a lot of fun. But they also learn that it's important to be careful and to follow the rules of the road.

The Illustrations

The illustrations in *The Berenstain Bears: Bears On Wheels Step Into Reading* are bright and colorful. They perfectly capture the excitement of the cubs as they learn about bike safety.

The illustrations also help to teach children about the importance of bike safety. They show the cubs wearing helmets and following the rules of the road. This helps children to understand that bike safety is important and that it's something that they should always practice.

The Educational Value

The Berenstain Bears: Bears On Wheels Step Into Reading is a great way to teach children about bike safety. The story is engaging and the illustrations are colorful, which helps to keep children interested.

The book also teaches children about the importance of following the rules of the road. This is an important lesson for children to learn, as it can help them to stay safe when they are riding their bikes.

The Verdict

The Berenstain Bears: Bears On Wheels Step Into Reading is a delightful children's book that teaches children about bike safety. With its engaging story and colorful illustrations, this book is a great way to teach your child about the importance of wearing a helmet and following the rules of the road.

I highly recommend this book for children ages 4-8.
