

The Holy Koran of the Moorish Science Temple of America: A Gateway to Enlightenment and Transformation

: Unveiling a Hidden Treasure

At the heart of the Moorish Science Temple of America lies a profound text that has remained largely hidden from the eyes of the world: The Holy Koran. This enigmatic book holds within its pages a wealth of ancient wisdom and spiritual teachings, offering a path to enlightenment and a deeper understanding of our existence.

The Moorish Science Temple of America, established in the early 20th century, has its roots in the traditions of Islam, Sufism, and ancient Egyptian spirituality. The Holy Koran, a central tenet of the Temple's teachings, is a compilation of divine revelations received by the prophet Noble Drew Ali, the founder of the movement.
