Little Dinosaur is excited to go to school, but he is also a little bit nervous. He is not sure what to expect. Will the other dinosaurs be friendly? Will he be able to keep up with the lessons? Will he make any new friends?

Little Dinosaur's first day of school is full of surprises. He learns that school is a fun and exciting place to be. He makes new friends and learns new things. He even has a chance to share his favorite dinosaur fact with the class.

Time for School Little Dinosaur is a great book for helping young children prepare for their first day of school. The book shows children that school is a positive and fun experience. It also helps children learn about the importance of following the rules and listening to their teachers.

If you are looking for a great book to help your child prepare for their first day of school, Time for School Little Dinosaur is the perfect choice.

### **Other books in the Step into Reading series**

- Biscuit Goes to School

### **About the author**

Jane Belk Moncure is a children's book author and illustrator. She has written and illustrated over 50 books for children, including the Step into Reading books Time for School Little Dinosaur and Biscuit Goes to School.

Moncure's books have been translated into over 20 languages and have sold over 10 million copies worldwide.

Moncure was born in Charlotte, North Carolina, and grew up in a small town in the mountains of North Carolina. She attended the University of North Carolina at Chapel Hill, where she studied art and education. After graduating from college, Moncure worked as a teacher and a librarian. She began writing and illustrating children's books in the early 1990s.

Moncure's books are known for their bright and colorful illustrations and their simple text. She often writes about everyday experiences that children can relate to, such as going to school, making friends, and learning new things. Moncure's books have been praised for their ability to help young children learn to read and for their positive messages about friendship and kindness.

## **Reviews**

“Time for School Little Dinosaur is a great book for helping young children prepare for their first day of school. The book shows children that school is a positive and fun experience. It also helps children learn about the importance of following the rules and listening to their teachers.” - Our Book Library review

“My son loved this book! He is starting kindergarten this fall and was a little bit nervous about it. This book helped him to feel more excited about going to school and learning new things.” - Goodreads review

“I highly recommend Time for School Little Dinosaur to any parent who is looking for a great book to help their child prepare for their first day of

school.” - Barnes & Noble review
