Print length : 100 pages

The Art of Assassin's Creed Valhalla is a breathtaking coffee table book that showcases the stunning concept art and character designs from the latest installment in the epic video game franchise. With over 200 pages of full-color artwork, this book is a must-have for fans of the game and anyone who appreciates beautiful art.

The book is divided into four chapters, each of which focuses on a different aspect of the game's art design. The first chapter, "The World of Valhalla," explores the game's setting, from the frozen north of Norway to the lush green countryside of England. The second chapter, "The Characters of Valhalla," takes a closer look at the game's characters, from the mighty Eivor to the enigmatic Basim. The third chapter, "The Weapons and Armor of Valhalla," showcases the game's impressive arsenal of weapons and armor, while the fourth chapter, "The Art of Valhalla," provides a behind-the-scenes look at the game's development, including sketches, storyboards, and concept art.

The Art of Assassin's Creed Valhalla is a beautiful and informative book that is sure to please fans of the game and anyone who appreciates beautiful art. With its stunning artwork and in-depth insights into the game's development, this book is a must-have for any collection.

Concept Art and Character Designs

The Art of Assassin's Creed Valhalla is filled with stunning concept art and character designs that bring the game's world to life. The book's pages are filled with detailed illustrations of the game's characters and environments, providing a unique glimpse into the creative process behind the game.
